For detailed information and the using instructions, please visit our website.

FullFactor comes out with two different models to provide the best protection in both dry and oily environments, which makes it the most appropriate model for the ones working in environments requiring cut resistance.

FullFactor will never compromise on comfort while ensuring your safety to the highest level thanks to its special knitting and flexible coating.

Special yarn for FullFactor			Protective against cuts
Easy put on and take off			Double-layer knitting technology
Perfect grip even in oily environments			Pre-washed before packaging
Double-layer coating technology			Odour free
Waterproof			Maximum flexibility
Touch screen friendly			Perfect fit for fine working

- We knit our gloves with the best quality yarns in the world.
- We use a special coating formula.
- We value your employees as much as you do and we pre-wash our gloves prior to packaging.
