**FullFire<sup>D</sup>**

# THE HEAT SHIELD IN YOUR HAND

**SIZE: 7(S) - 11(XXL)**

FullFire is produced for use in conditions that require protection against heat cut resistance. Thanks to its increased layer on its outer surface, it offers much longer life cycle and protection. It provides excellent grip thanks to its specially developed coating on its outer surface. Additionally, while offering high protection against tears and cuts thanks to its unique knitting technology it also provides comfortable use for a long time with its thin structure.

FullFire is suitable for use in heavy manufacturing industry, manufacturing sites for transportation such as road, aircraft, railway or automotive, storage works or heavy conditions requiring heat resistance, and higher grip.

\*The glove provides heat and cut resistance thanks to ARAMID, GLASS and UHMWPE filaments in its structure.

FullFire is suitable for use in heavy manufacturing industry, manufacturing sites for transportation such as road, aircraft, railway or automotive, storage works or heavy conditions requiring heat resistance, and higher grip. FullFire provides superior protection against burns, cuts and abrasions thanks to its high-strength non-combustible composite yarn structure. Thanks to this feature, FullFire stands out as an indispensable, world-class leader in the market. The full coating on the thumb provides extra safety.

You can opt for FullFire Double for tasks, which require perfect grip in oily environments in addition to heat and cut resistance.

Easy put on and take off			Composite yarn
Takes shape of hand			Double layer knitting technology
360° more breathability on all surfaces			Pre-washed prior to packaging
Antiperspirant			Odour free
Heat resistance			Maximum flexibility
Touch screen friendly			Perfect fitting for fine working
More flexible coating			Maximum precision handling
Non-slip coating			2 knitting options
Thermal comfort			

- We knit our gloves with the best quality yarns in the world.
- We use a special coating formula.
- We value your employees as much as you do and we pre-wash our gloves prior to packaging.
